Vision for Emily Gray

Emily Gray will be the premier choice for students and parents who seek superior high school preparation and a comprehensive Junior High program.

The Mission of Emily Gray

The junior high school has the specific task of meeting the individual needs of early adolescent students and, in so doing, serves as a unique transition between elementary school and high school.

Dear Parents and Students,

Emily Gray Junior High School is proud to welcome you into our tradition of excellence in student achievement and community involvement. Our staff is committed to the mental, physical, and social growth of our students as they mark these important milestones in their education.

Please take the time to read the information in this handbook together and discuss it as a family. As you adjust to Junior High, we encourage you to explore the responsibilities and opportunities this transition to secondary school provides your families and your students as individuals.

FERPA Statement:

The Family Educational Rights and Privacy Act (FERPA) afford parents certain rights with respect to the student's education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the District receives a request for access.

Parents or eligible students should submit to the school principal a written request that identifies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes is inaccurate or misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask to amend a record should write the School Principal and clearly identify the part of the record they want changed, and specify why it should be changed. If the district decides not to amend the record as requested by the parent or eligible student, the School Principal will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to privacy of personally identifiable information in the students' education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School System as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School System has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or a parent, student or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School System discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School System to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

GENERAL PROCEDURES

Admission Requirements

Tanque Verde Unified School District requires students to live within the school district boundaries. Residency of the parent/guardian or surrogate may be determined by showing the individual's presence and intent to remain in the District. Documentation of residency may include, but is not limited to, current landlord-tenant agreements, property tax statement, deed, current closing papers and mortgage statements.

The district's schools are required by the School Board to ascertain that all students attending Tanque Verde schools meet the District's residency requirements.

If at any time during the school year it is determined that false or incomplete information has been submitted in order to enroll a student at any Tanque Verde school, it may require an immediate withdrawal from the school.

Open Enrollment to Emily Gray Junior High School

Arizona State law requires each school district to develop Open Enrollment Policies, allowing non-district students to attend our schools. This parental choice option has been available since 1994 and is determined by local district policy. Tanque Verde policy sets priorities as 1) district resident students; 2) eligible students of employees; and 3) previous Open Enrollment students.

Applications are for one year only and include a behavior component. Preference is given to current open enrollment students in future years, and to their siblings. Keeping class sizes at an optimum ratio allows EGJH to maximize the opportunities for all students in the way of special programs and instruction.

Visiting the Emily Gray Campus

The Emily Gray campus is open for student arrival at 7:50 am. Before this time, there is no supervision provided for students. Please plan your arrival for 7:50 am or later. The campus is locked at 4:00 pm and access is only provided on an as-needed basis.

If you have school-related business, please report to the office to sign in and be issued a visitor badge to be worn for the duration of your visit. To be as efficient as possible concerning campus operations, visitors must adhere to the following guidelines:

- While visitors are on campus, they should follow all rules established for students.
- According to A.R.S. 15-507 a person who abuses a teacher or other school employee on school grounds or while the teacher or employee is engaged in the performance of his/her duties is guilty of a class 3 misdemeanor – possible penalty – up to thirty (30) days imprisonment and /or up to a \$500,000 fine.

We appreciate your cooperation in keeping our campus safe.

Lockers

Lockers are provided for student use and placed throughout the campus. Locks will be provided at registration for a yearly rental fee of \$5.00. By accepting a lock and locker assignment, the student and parent accept financial responsibility for damage that arises from misuse or abuse of the locker.

Because lockers are not secured, students who place items in their lockers overnight or over weekends and holidays do so at their own risk. It is also required for security reasons that students never share a locker with another student or allow another student knowledge of their locker combination. The locker must be locked at all times with the provided lock. Only locks provided by the school will be permitted. Lockers without locks will be emptied and locked by security staff. The outer face of the lockers are not to be decorated without pre-approval of the office staff.

School officials reserve the right to inspect any locker at any time, and to gain access by any means necessary. School officials may change locker assignments or revoke locker privileges if lockers are not maintained in a neat and clean fashion or if a student abuses or misuses or vandalizes his/her locker.

Passes

Students are not to be out of the classroom during class time without a signed pass. Students will not receive passes from office staff unless detained by administration, counseling, or the nurse.

Lost or Found Property

Anything brought to school is the responsibility of the student. If you feel your property has been lost or stolen, contact the school office. However, there is no guarantee he/she will be able to recover the lost or stolen item or secure the replacement of it. The best rule to follow is: *If you don't want to lose it, don't bring it to school.*

Backpacks

It is imperative to ensure the safety of the classroom walkways, that student backpacks must fit completely beneath the student's assigned chair or desk when materials needed for the class period are removed to the desktop. Any backpack that is too large to fit in the assigned space will not be permitted in the classroom, classrooms with limited space for backpacks may also individually require that backpacks be stored in lockers.

Backpacks must have two straps that each fit over student's shoulders. Bags with handles, such as totes and sacks, are not acceptable substitutes for backpacks.

Electronic Devices

Students bringing cell phones, media players, and gaming devices onto campus do so at their own risk. In the event of theft or damage to any such device, it is the policy of the administration not to investigate.

Though we do not prohibit electronic devices from our campus, there are restrictions on their use in the school setting. Cell phones are to be powered off and put away during class periods. No electronic device is to be powered on and used during class periods, except as requested by the teacher or administration. Any electronic device that creates a visible or audible distraction during a class will be immediately confiscated by the teacher and passed to administration. Electronic devices may be used before school, during lunch, and after school only.

Upon a first confiscation the principal or office staff and student will hold a conference about the infraction. Upon a second occurrence the parent must collect the device from the office with the student. Upon the third infraction, the device will be banned from the campus for the remainder of the school year.

Taking a photo, audio, or video recording, of a teacher, staff member or student without their full knowledge and consent is a violation of policy and may also be a violation of the law in certain circumstances. Any such behavior will be treated as a violation of the TVUSD code of conduct and subject to disciplinary action.

ATTENDANCE POLICY

The Arizona compulsory attendance law, (Arizona Revised Statute (A.R.S. 15-802) makes it a legal responsibility of parents to have their children in school on a regular and daily basis.

Regular, consistent attendance is directly related to successful academic achievements by students. Class attendance is an integral part of the academic process; therefore, excessive absences, either excused or unexcused, may result in a student losing credit in a class(es). It should be understood that although there are a number of procedures in place to keep students and parents aware of attendance status, it is ultimately a student/parent responsibility to keep track of attendance in each class.

Absences

When sickness or other obligations make an absence necessary we request that a student's parent telephone the office by 9:00 a.m. the morning of the absence. **The attendance telephone number is 749-3950.** The state and county require that the school keep data as to the reasons students are absent from school. For this reason you will be asked about the specifics of your child's absence. For example some of the categories that are tracked are: colds, stomach flu, out of town, doctor appointments, or injuries.

If we do not receive a phone call, we will try to verify the absence by calling a parent. If that is not possible, the student must bring a written note giving a reason for the absence upon their return. Unverified absences will be coded as truant two school days after the student's return. If you need to call before 7:30 a.m. or after 4:00 p.m. please call 749-3950 or 749-3838 and leave a message.

Excused Absences

The following constitute excused absences:

- Personal illness. (Absences longer than five consecutive days require medical documentation.)
- Doctor/Dental appointments with documentation from the professional. (Please consult the calendar in this tracker and make every effort to schedule appointments on non-school days.)
- The serious illness of a family member.
- The death of a family member.
- A required court appearance.
- Specific absences when the district is notified in advance. (A written petition to the principal is required at least one week previous.)
- Religious holidays.

Consecutive Absences

If a student is absent more than one day, the parent needs to call every day of the absence. The office will not assume the child is still sick. Students absent for ten consecutive days without notification will be dropped from the school's attendance registers.

Unexcused Absences

An unexcused absence will occur when there is no telephone or written notification of the absence within two school days. This type of absence may be deemed as truant and could be reported. Teachers are not required to allow students to make up work missed during an unexcused absence. Please do not put your child in a situation where they might lose credit.

Known Absences

If parents remove a student from class for vacations or other recreational purpose, they should understand that:

- Teachers are not required to provide any work in advance. The student has a day for each day missed to complete the classroom work/homework. It is entirely up to the student to obtain the missed work and seek additional assistance at the teachers' convenience.
- If parents/students request homework to be provided in advance, teachers will expect this work to be completed by the date of the student's return. If homework is not completed by the date of the student's return, it will be considered late.
- Tests need to be made up within five school days after returning, even if the absence exceeds five days.
- Prior to the absence, notification must be from the parent (directly) to the school office, not student to teacher.

Loss of Grade

A student who is absent for ten (10) or more class sessions during a semester of the school year may be subject to a loss of credit or loss of grade, and/or may be required to repeat the class or classes (i.e., placement determination). The process for loss of credit, loss of grade, and placement determination is as follows: the parent(s) shall be notified in writing after the student's sixth (6th) and eighth (8th) absence in any class or classes during a semester. Such notice shall identify the class or classes and dates on which the student was absent, and the notice shall also indicate that a total of ten (10) absences will result in the student and parent being called before an administrative review board. The parent shall be informed of the time and date of the hearing and any other pertinent information. The review board shall consist of the principal, or designee, and appropriate faculty members. At the hearing, the student and/or the parents may present information to demonstrate that special academic or other appropriate allowances warranted an exemption from the application of loss of credit and/or loss of grade and to determine placement.

Excessive absences will result in the following consequences:

Six (6) absences - First (1st) notice

Eight (8) absences - Second (2nd) notice

Ten (10) absences - Review board hearing

Appeals

If the parent(s) of the student are dissatisfied with the decision of the administrative review board, they may follow due process procedures through the Superintendent, and, if still dissatisfied, to the Governing Board. The appeal shall be by letter delivered to the Superintendent, such letter shall describe in detail all objections to the administrative review board's decision and procedures. If an appeal is carried through to the Governing Board, the decision is final. The student may remain in class pending the outcome of any hearing or appeal.

Truancy

Any unauthorized absence from any class, or activity during the school day for which the student is scheduled is considered truancy. This also includes any after-school special-help session or disciplinary session that the student has been directed to attend. Truancy is a violation of state and local attendance laws and is considered a serious offense. **Please remember that TVUSD is following the guidelines that the state and county government have set.** The school will notify the parent(s) of intent to take action and enforce the truancy laws. A minimum of three (3) unexcused absences may result in the school forwarding violations to the appropriate authority.

Tardy

A student is tardy if he/she is not in the classroom, and prepared to work, when the final bell rings. When a student is tardy to class, the teacher will sign the students' Behavior Track card. When the card reaches five signatures, the student will be assigned a detention. A student must have a pass in order to have an excused tardy.

Arriving Late/Tardy to School

Students are encouraged to be on time to school every day. If a student arrives late to school they must be signed in at the office by a parent/guardian. Lateness due to health appointments documented by an appointment card will also be excused.

Leaving Early

If a student has to leave early from school, the student must be signed out in the office by the parent or guardian before leaving campus. Office personnel will not allow students to sign out themselves. Proper notification is required before students may leave with adults other than their parent or guardian.

Schedules/Schedule Change

Students are instructed to make informed choices about their courses and to carefully review the course selections for the upcoming school year. Course requests, submitted the previous spring, will determine staffing, class sizes and the structure of the master schedule. Request for schedule changes will be considered only for extenuating circumstances. Parent permission is required for all schedule changes. Reasons that may be considered include:

- Medical reasons
- Course required for compliance with special needs documentation

Requests for schedule changes based on the reasons listed above may be made to the counseling department during the first 5 days of each quarter. All requests for schedule changes are subject to limitations due to class size.

Students must remain in scheduled classes until they are notified of approval by receiving a printout of a new schedule.

EGJHS administration reserves the right to change student schedules in order to better balance class size, ensure students are in proper academic settings, create a safer environment, or any other reason to improve the education of the student and educational climate of the school.

Health Office Medication Procedures

Certain health problems require that students take medication during school hours. For the student's protection we have established the following procedures for taking medications at school.

1. **Prescription Medication:** Must be in their **original containers**, and **accompanied by a physician order** and a **signed parental consent form**. Physician orders for medications **MUST** state the name of the medication, strength, dosage to be given, frequency, route, and indication (reason for giving the medication).
2. **Over-the Counter (OTC) Medication:** Must be in their original container. The health office tries to maintain adequate supplies to provide Acetaminophen (Tylenol), Ibuprofen (Advil), and Diphenhydramine (Benadryl) to be dispensed with parent permission only. Please consider donating these items if your student will require them. All other OTCs require a physician order **AND** a **signed parental consent** for administration.
3. **Rescue Medication:** Students may carry rescue medication with them during school as long as they provide a written authorization from the prescribing doctor to the health office. These may include rescue medicine for asthma, allergies and diabetes. **Prior arrangements must be made for self-carry rescue medicines through the health office.**

4. **All Medications:** All medications, including over the counter medications, will be kept locked in the health office. No student may keep non-rescue medication anywhere but in the health office. All medications must be in the pharmacy bottle properly labeled or in the original store packaging.

Parents are asked to notify the Health Office as soon as possible if there are changes in the student's health or medications.

Injury/Illness

For the safety of ALL students, students must check in with the school nurse before going home for any illness or injury.

If your student needs assistance to and from class due to injury or illness please see the nurse for a pass. If your child is in need of special health services, please advise the nurse. Any change in condition should be discussed with the nurse.

Fever

A child with a fever of 100.0 degrees or higher should remain home. Please call in your child as being ill with fever. If your child has a temperature of 100 degrees or higher while at school, the parent is to pick up the child immediately after notification of illness.

Vomiting/Diarrhea Illnesses

Students should stay home for at least 24 hours after last episode of vomiting and/or diarrhea.

Chronic Health Conditions

District policy JHD and regulation JHD-R address students with chronic health conditions. JHD-R defines the identification/referral process, eligibility criteria, and miscellaneous provisions of chronic health conditions policy.

Exhibit JHD-EA is a form used by the District to inform parents that the District will make special arrangements for homework assignments for students with chronic (recurring) health conditions.

Exhibit JHD-EB is a form for the family physician to medically certify the student's chronic health condition.

Exhibit JHD-EC is a form that specifies an instructional agreement for students with chronic health conditions.

Mandatory Reporting

School personnel are required to report allegations of physical injury, abuse, or neglect concerning minors. Reports must be made to the appropriate law enforcement officials or child protective services. Reports will always be made when a minor is the victim of serious physical harm, whether caused by an adult or another minor.

Under A.R.S. 13-3620 a school employee may be subject to a class six felony criminal charge for failing to make a mandatory report concerning a "reportable sex offense." A school employee may also be subject to a class one misdemeanor criminal charge for failing to make a mandatory report concerning physical injury, child abuse or neglect.

Consequences may be determined by the teacher and may result in loss of credit for the assigned work or tests. Cases may also be referred to administration for discipline for violation under the code of conduct.

Bullying Definitions & Reporting

Emily Gray Junior High prohibits bullying in any form on school property, in a school vehicle, or at a school-sponsored activity or event.

"Bullying" is defined as: Any intentional gesture or any intentional written, verbal, or physical act or threat that is sufficiently severe, persistent, or pervasive that creates an intimidating, threatening or abusive educational environment for a student or staff member that a reasonable person, under the circumstances, knows or should know will have the effect of:

1. Harming a student or staff member, whether physically or mentally;
2. Damaging a student's or staff member's property;
3. Placing a student or staff member in reasonable fear of harm to the student or staff member; or
4. Placing a student or staff member in reasonable fear of damage to the student's or staff member's property; or;
5. Cyberbullying which means bullying by use of any electronic communication device through means including, but not limited to, e-mail, instant messaging, text messages, blogs, mobile phones, pagers, online games and websites.

School Districts are required by Federal Law to protect the privacy rights of students under the age of 18.

Bullying Review Process

Students have several options for reporting bullying: 1) They may contact administration or the school counselor ANYTIME, 2) Anonymous online reporting (see school website), or 3) They may complete a "Bobcat Bully" form. Students will complete the form and return it to the bully box in the library or the nurses office.. The following procedures will be implemented in reviewing data:

- The school counselor reviews all "Bobcat Bully forms."
- Students will see the school principal for immediate threatening acts of bullying requiring discipline.
- The school counselor will provide counseling interventions to help students learn self control, conflict resolution and problem solving techniques.
- Mandatory education/interventions will be provided for repeat offenders.

GRADING POLICY

The following are the grading scales used for grades and citizenship marks in all classes.

Mark / Explanation	Scale	Mark	Explanation
A - Excellent	90-100%	I	Incomplete
B - Above Average	80-89%	NM	No Mark
C - Average	70-79%	NC	No Credit
D - Below Average	60-69%		
F - Failing	0-59%		

Mark	Explanation
O	Outstanding
S	Satisfactory
N	Needs Improvement
U	Unsatisfactory
W	Withdrew

If the grade of *incomplete* is given, the student has ten school days from when grades are due to make up the work. If this is not done, credit will not be given and the incomplete will transfer to an "F". Exceptions to this policy may be made at teacher/administrator discretion in long-term illness situations.

Grading Periods

Grades (A, B, C, D, F) are given every nine weeks.

Progress/Quarter Reports

In order to achieve a timely delivery of student information and to ensure good stewardship of public funds, Emily Gray will provide printed/mailed copies of Interim Progress Reports and Quarterly Grade Reports **only as requested** through our offices. Students and parents are expected to monitor grading information through StudentVUE/ParentVUE.

It is our purpose to educate students and help them meet our competency standards. In an attempt to make sure all Emily Gray students are successful, teachers will clearly explain all standards and expectations.

Homework Policy

The purpose of homework is to help students develop good study/work habits while reinforcing the daily curriculum being taught. Due dates are given to help students learn to manage their time and to assist parents in structuring home study periods. Students should assume that homework assignments are to be completed by the date specified by the instructor unless special arrangements have been made with the teacher. When absent, students/parents should refer to each teacher's web page for information about assignments. The student will be given the time equivalent to the length of the absence to make up missed work. For example, if the student is absent 3 days, the student has 3 days to make up the missed assignments. This policy only applies to assignments given during the absence.

Retention and Failure

Retention and failure are addressed in district policy [IKE]. Retention of students is a process that is followed when the professional staff, in consultation with the parent, determines it to be in the best interests of the student. Though primary grades are suggested as the most appropriate time, retention may be considered at any grade level. Students in grade 7 who do not achieve a passing grade in eleven (11) of the possible fourteen (14) semester units may be considered for retention. Students in grade 8 who do not achieve a passing grade in ten (11) of the fourteen (14) units may be considered for retention. Notification is sent out no later than the midpoint of the 4th quarter and parents are made aware of the possible recommendation to retain. Students who fail an academic core subject may retake the course in summer school or be placed in supplemental courses the following school year.

When circumstances indicate that retention is in the best interest of the student, the student will have individual consideration, and decisions will be made only after a careful study of facts relating to all phases of the student's growth and development. The student's academic achievement level and mental ability are important, but physical and social characteristics are also important factors. A decision should be based on sufficient data, collected over a period of time and motivated by a desire to place students in school programs where they will be the most successful.

EXTRACURRICULAR ACTIVITIES AND ELIGIBILITY

The following sports are available

<u>Season 1</u>	<u>Season 2</u>	<u>Season 3</u>	<u>Season 4</u>
Flag Football, Cross Country	Boys Basketball	Girls Basketball	Boys Baseball
Girls Volleyball	Girls Soccer	Boys Soccer	Girls Softball

Activities

Students may participate in after school athletic programs, if eligible. All forms in the athletic packet must be on file. A student may not participate in practice, tryouts, or a game without clearance.

Fees

A \$35.00 extracurricular activity fee per activity was approved by the school board. The fees are capped at \$70.00 per semester, \$105.00 per year. The fee must be paid before a student will be allowed to participate.

Extracurricular Participant Responsibilities

Social Behavior

- Students who participate in extracurricular activities represent the Tanque Verde School District, therefore, they must display excellent citizenship, display respect for authority and use appropriate language at all times.
- **If a student is assigned after school detention, detention takes precedence over games and practices. If a student misses a detention the student is ineligible to compete in games until the detention is served.**
- Students who are suspended either in school or out of school shall be ineligible during the suspension period. In severe cases students will be removed from their extracurricular activity.

Academic Eligibility Requirements

- Student must be passing all classes (No F's) and maintain a 'C' average (2.0 average on a 4.0 scale).
- Eligibility checks will be done by the administration at quarter grades and interim reports.

Regaining Eligibility

Students may petition for eligible status through the administration after five school days. Once eligibility status is regained, the student will remain eligible until the next grading period. Individual coaches and teachers may institute more frequent grade checks as they deem necessary.

- First time ineligible athletes may not travel to away games or suit up for home games. They may practice.
- If an athlete becomes ineligible a second time that student may **not travel** to away games, may **not attend home** games, and may not practice.
- Further ineligibility may result in an athlete being removed from the team.

Attendance Eligibility

Students involved in extracurricular activities must attend a minimum of 50% of the number of classes they have scheduled on a given day in order to practice/compete/perform at that day's scheduled event (eg: athletic competition, fine arts performance, etc.). Any exception to this policy must be approved by school administration.

STUDENT TRANSPORTATION

It is the policy of Tanque Verde Unified School District to provide transportation for students of the District as follows:

- Students who live more than one mile from their school.
- Students living within the one-mile radius of their school but are subject to routes that are hazardous or difficult and no other arrangements can be provided.
- Special education students whose disabilities require transportation as indicated in their individual education programs.

Student Pick-Up and Drop-Off

For student safety reasons parents are not to enter the bus loop off of Tanque Verde Rd. Parents are also asked to avoid the transportation lot and transportation entrance area for pick up or drop off. Please see our website for complete pickup and drop-off procedures pertaining to our two designated drop off areas. You may use the EGJH parking lot loop to pick up and drop off your children, or the Tanque Verde Baptist Church Parking lot loop off of Tanque Verde Loop Road.

Waiting for and Exiting the Bus

1. Be at your bus stop at least five (5) minutes prior to your scheduled time.
2. Form a line at a safe distance from the curb or road while waiting for the bus.
3. Respect the property on which your bus stop is designated.
4. Use the handrail and each bus step when entering and exiting the bus.
5. Remain seated until the bus comes to a complete stop.
6. Always walk in front of the bus when crossing the street or highway and look both ways before crossing.
7. The bus driver requires a signed note from your parent or guardian, verified by the school office, if you have to get off at a stop other than your own.

Bus Courtesy

1. Quietly take your seat.
2. Talk to your friends in a normal voice. Address the bus driver only in case of an emergency.
3. Windows will be opened and closed upon request of the bus driver.
4. Keep your head and arms inside the bus and your feet on the floor.
5. Remain seated until the bus comes to a complete stop.
6. No food or drinks are allowed on the bus without the driver's permission.
7. No glass containers are allowed on the bus.
8. Pets and animals are not allowed on the bus. Children must arrange for private transportation when carrying them to and from school.
9. Each student will assist the driver by placing litter in a trash receptacle designated by the driver.

Bus Discipline Plan

If a student violates behavior or safety standards while riding the bus, the bus driver will prepare a "School Bus Incident Report." This report will be submitted for disciplinary action. A variety of consequences may be imposed to address the infraction:

- Counseling
- A conference and/or disciplinary action without loss of riding privileges.
- A conference and/or disciplinary action with a loss of riding privileges.

The consequences applied will depend on the severity of the infraction and the recommendations of the bus driver. Parents will be notified by telephone and/or in writing about the incident and the subsequent consequence(s).

A student who feels he or she has been treated unfairly or unjustly punished under this plan may appeal to the school principal. If a hearing is requested, the student may be accompanied by the parents and/or legal counsel. The district personnel that will participate in the hearing include, but are not limited to, the bus driver who initiated the action, the Transportation Director, the Principal, and the Superintendent.

All rules that are mentioned above will be in place during athletic trips. With the addition that boys and girls will be kept separate both to and from the event. Coaches will be required to sit in between the boys and girls during the trip.

IF YOU ARE EXPERIENCING ANY TRANSPORTATION PROBLEMS, PLEASE NOTIFY YOUR BUS DRIVER FIRST. IF YOU REQUIRE FURTHER ASSISTANCE, PLEASE CALL THE TRANSPORTATION DEPARTMENT AT 749-9640.

CODE OF CONDUCT

In order for school staff members to ensure a good climate for education, it is necessary that student conduct and behavior be maintained at a high level. It is the responsibility of the School Board and school administration to define to students and parents what is expected in terms of desirable conduct and behavior.

The purpose of any rule or regulation regarding student behavior is primarily one of ensuring that the ongoing education of one student is not interrupted, impaired, or made difficult by the overt act of another. As a general statement, all students attending Emily Gray Junior High will be expected to observe commonly accepted rules of courtesy in their associations with students, teachers, administrators, and other school employees whether in the classroom or on the campus.

Continued and willful breach of courtesy by a student will be brought to the attention of the parents for advisement and assistance in developing a solution to the problem.

Detentions

A student may receive an after school detention for egregious or repeated infractions of the school or classroom rules. If a student is issued 5 detentions during the school year, every infraction thereafter, the student may be issued In-School Suspension (I.S.S.) for the entire day. **After school detentions are on Mondays, Tuesdays and Thursdays from 3:20 p.m. to 5:00 p.m.** The student will receive a *white detention slip that must be signed by the parent or guardian* and given to the detention monitor.

- Students are to be silent during detention. Students should work on school assignments or read silently.
- All electronic devices must be powered off and put away during detention.
- If a student has a missed detention they will not be allowed to go on field trips or extracurricular trips.

Please help us keep our students accountable by not making appointments, etc. on the day your child serves detention.

Guest teachers are rare and sometimes difficult to find; a detention is automatically given if students misbehave while a substitute is employed.

It should be kept in mind that every effort is made by teachers and other school employees to utilize methods of positive reinforcement in dealing with student behavior problems. The School Board has, however, made provision for dealing with the more severe kinds of problems whereby sterner measures may be taken as a final attempt to correct the problem.

Student Suspension

TVUSD Governing Board Policy JKD provides the authority to suspend a student for up to ten (10) days, after an informal hearing is held. This authority rests with the Principal, granted this power by the Governing Board of the School District. If a danger to students or staff members is present, the Superintendent may immediately remove the student from school, with prior contact with the parents and with a notice and hearing following as soon as practicable. For full explanation of these policies please visit our website at <http://www.tanqueverdeschools.org/> and click on the policy link leading to Policy Manual.

In-School Suspension

In some instances students may be suspended in-school. When given in-school suspension students will be allowed no social contact with other students during the regular school day which includes, but is not limited to, lunch and break times. In-school suspension gives each student the opportunity to correct the inappropriate behavior they exhibited. Specific rules governing in-school suspension will be explained to the student upon entrance. Failure to comply with the rules may warrant additional in-school suspension or out-of-school suspension.

Short Term Suspension

Board policy provides that authorized administrative personnel may suspend a student from school for a period of up to ten (10) days. District personnel will make a reasonable effort to verify facts and statements leading to any judgement. Due process shall be observed in that oral or written notice and an explanation of the charges shall be given. There is no additional due process or appeal rights available under governing board policy JKD for short term suspension. When the suspension is over, and prior to being admitted to class, the student and the student's parents/guardians may be required to meet with administration in a readmission conference. The purpose of the conference is to set the student up for a successful return to the school routine.

Long Term Suspension

Board policy provides that authorized administrative personnel may suspend a student from school for a period greater than ten (10) days if the behavior is a threat to the welfare of the school. The student and parent will be notified Short Term Suspension pending a hearing for move to Long Term Suspension. Students shall be given an opportunity to present their side to the district hearing officer. The district hearing officer will render a decision on the terms of a long term suspension within the 10 days of the Short Term Suspension.
