Congratulations on being a 2014 "A" LEA!

Earning an "A" is an accomplishment that reflects the efforts of many. It recognizes the achievement of your students, the hard work and dedication of your staff and your outstanding leadership.

We know that earning this recognition is no easy task; it occurs when the core values and daily efforts of your LEA are aligned to ensure that each of your students is receiving a world-class education, in a safe and nurturing environment.

We know that these accomplishments are a group effort but your leadership is to be commended. Thank you for organizing and motivating your staff, aligning your resources and building support in your community to ensure the success of your district.

Best wishes for continued success during the 2014-15 school year. We look forward to supporting your efforts and celebrating your hard work in the upcoming year.
