Dear Parents/Guardians:

As you may be aware, the federal government has rescinded the Deferred Action for Childhood Arrivals (DACA) program. We are aware that we may have students, staff, and families who are impacted by this decision directly or indirectly.

The Tanque Verde Unified School District will continue to ensure that our schools are a safe place for all students and staff. Our schools are sensitive to this issue, and our school counselors are available for students who may need to discuss their concerns in a safe, supportive environment.

We will continue to provide an excellent education to every Tanque Verde USD student, and to ensure that our schools provide a safe, supportive environment in which all students and staff members can be successful.

Sincerely,

A handwritten signature in black ink that reads 'Scott Hagerman'.

Dr. Scott Hagerman
Tanque Verde Unified School District Superintendent
