## District Notice Regarding Extended Calendar and Student Absence Reporting

May 16, 2018

Dear Tanque Verde Unified School District Parents/Guardians,

As you may be aware, the Tanque Verde USD Governing Board has officially approved the extension of the school year calendar. The official TVUSD 2017-18 School Year Calendar now includes two additional half days on Thursday, May 24th and Friday May 25th. Because these days are being added late in the school year, these days will be opportunities for additional learning, but will not be required and will not factor into a student's grade.

Reporting Absences - If your student will be absent on the extended school year dates, May 24th and/or May 25th, please use the school link below to report each student's absence. Absences on May 24/25 will not count against the student's record. A student's absence will appear on ParentVue, but it will not appear on the report card.

In the interest of your student's safety and to comply with state law, it is a requirement that parents/guardians report their student's absence(s).

For your convenience, a parent/guardian may notify the school of a planned absence in advance. Please use the links provided below to complete a brief absence report form for the school your student attends. A separate response is required for each student. You may also call in the absence or send an email if preferred.

**IF YOU NEED TO CHANGE YOUR STUDENT'S STATUS AFTER REPORTING, YOU MUST CALL THE SCHOOL DIRECTLY!**
