What you need to know...

AM Attendees - The school has begun locking the gate by our building at 7:45 AM

This will certainly be inconvenient for those who are running late - we are sorry for that.

The school is implementing this change because too many parents are dropping off their children near our building rather than at the designated drop-off site near the MPR which is causing traffic delays for the regular school schedule.

They will be making a sign that may help ease this problem and we will be able to revert back to locking it for them at 7:55-8 am once their protocol is firmly established.

In the meantime, if your child is scheduled for CC Club and you are running late, you have 2 options (presuming you park in the lot and walk in):

- 1) Knock on our window and we will gladly come unlock the gate for you.
- 2) Join the line of cars for regular school drop-off (which can begin at 7:45) and your child won't come to CC Club that morning. (We won't consider your child "missing" because you will have never signed them in.)

Try it FREE today.
