## **What you need to know...**

Your invoice for June charges (if applicable) has been emailed separately. If you owe any amount from May and/or before you may have also received a statement and will be assessed a late payment fee.

**We have a waiting list for this upcoming school year.** You are not automatically enrolled unless you submit paperwork and fees. If you have not submitted your paperwork and paid all school year charges including next year's registration you will have to be on the waiting list which is first come, first served. Necessary steps are:

- 1) Completed paperwork for next school year brought to the site (no email submissions). Our staff will review it when brought in.
- 2) A Check for registration fee attached (NO CREDIT CARD PAYMENTS). This will not be cashed until you get a spot.
- 3) Paid off all invoices to date.

## **IMPORTANT REMINDERS**

- **August Calendars due July 5th.**  
**They can be printed from our [web site.](#)**
- **Calendars must be submitted either by hard copy or SCANNED copy, not a picture of the calendar.**

**19th & 20th**

Conferences - Early

Release 11:10

**BRING LUNCH!!**

- Please submit your August calendar on time or we may give your spot to one of our wait list families. You do not have to pay for August until July 27th but you must have no Past Due balance by July 10th (including June) or again your spot will be given away.

You can choose either the daily or monthly rate. You must pick that option for the entire school year. The monthly rate includes any full days off (if you do not adhere to the schedule submitted there is an additional fee of \$10 for each day added or absent).

Please understand that we may have to raise the daily after school rates in January due to the unexpected release time change for all schools (was done just after we changed to a daily rate). We will not raise the monthly rate this school year.

Our change to a daily rate is the beginning of the process of moving to an online scheduling and payment program. You will still need to make any schedule changes ahead (i.e. Wednesday of the previous week) but eventually will have easy access to your own schedule as well as billing. This change will not happen for a while due to the expense but we are making small steps in that direction.
