### Office News

February INVOICES were sent to your inbox.

If you have a past due balance, you should have also received a STATEMENT.

### **Planning ahead**

Registration for next school year for current students needs to be PAID by April 5th. Please make a separate payment for registration aside from other charges (siblings should be combined) It can be by check or online but will not count until we have a form to secure your space. The form will be available online and at the site by March 8th.

For returning/current students we will input your information into our new online program in April and you will receive an email to set up your own online account, check your info and make necessary updates. All accounts will have to be paid ahead starting with the summer program.

### **Calendars**

**Our April Calendar is due March 14th. For those of you who did not submit March calendars there will be late calendar and drop in fees.**

**BE SURE TO MAKE A COPY OR TAKE A PICTURE OF YOUR SUBMITTED CALENDAR FOR YOUR RECORDS. It is important you give us accurate information so that last-minute changes do not cost you extra. We hope you filled out all the March full days off accurately. Thank you!**

- Please indicate on your calendar if your child will be arriving late due to Community Programs classes or any other after school

activity. Be sure to keep us informed if this changes.
