### **TVUSD School Closure UPDATE - Schools will remain closed on Monday, April 30th and until further notice**

April 27, 2018

Dear Tanque Verde Unified School District Parents and Guardians,

We would like to thank you for your understanding and support during the school closures. We know this has been a challenging time for all who are affected.

Because we believe we still will not have appropriate staff to provide a safe, high quality instructional school day, **all TVUSD schools will be remain closed on Monday, April 30th and until further notice.** We do not have a clear indication of how long the walkout may last. We will continue to monitor the situation, and communicate any changes to our parents and community as soon as possible.

We do not yet have guidance from the Arizona Department of Education regarding whether we will be required to extend the school calendar to cover the days missed during the school closure. We will continue to update you with information as it becomes available.

**If you have not already done so, please make alternate arrangements for your child's care during the continued closures. Information and resource links are included in the FAQs.**

[Please refer to the updated responses to FAQs for more detailed information regarding TVUSD school closures.](#)

Thank you for your continued patience and understanding.
