Bus Bay Relocation

Google maps were given out to Site Council to discuss where the bus bay should be moved for the safety of our students. Chris Rietz asked for suggestions of where we might relocate the bus bay and if anyone had any connections to help us plan.

3rd Grade Teachers present information about our Professional Learning Communities and how they work

Sarah Barker, Tiffany Thompson and Shannon Jeffrey explained how they collaborate to make sure that they are all teaching/covering the same standards to the students on the same timeline. The process is getting easier for them and they are learning from each other ways to teach different lessons.

Policy Reminder
