Program due to staffing and space limitations since we do not want to sacrifice quality.

We will start by accepting full time attendees entering grades 1-5 first as well as students entering grades 6 and above (Jr. Leaders can have daily schedules).

The weekly rate is \$180 per week and \$170 for siblings. Most field trips are included in the weekly rate but there will be some that have an additional fee.

If you are a currently enrolled family and paid the full registration this school year you do not have to pay an additional registration fee for the summer.

HOWEVER, the schedule for summer is due by April 1 and needs to be paid by April 15 to keep your spot.

If there are open spots in an age group we will accept daily attendees up to our limit. That form will be available mid-March.

The full time/Jr Leader schedule is available here: [Summer Fun Schedule \(Full time/Jr Leader only\)](#)

We are looking into offering a separate program for incoming Kindergartners.

Their needs are different and we wish to fill their needs in an age appropriate manner. This program would also be available first to full time attendees, have slightly shorter hours and minimal field trips. If this is a need for your family, please help us by filling out this survey asap.
