District residents should be aware of two items that will appear on the November 6 General Election Ballot, as local election items. Following review and evaluation of the district's programs and facilities needs last spring, a community-based feasibility committee advised the Superintendent to recommend the Governing Board pursue two ballot measures. The items which have been called for by the Board will appear on the ballot as the following:

- Prop 466 - Continuation of the 15% Maintenance & Operations Budget Override
- Prop 467 - Proposed \$15 Million Bond for School Improvements

TVUSD has had an M&O Budget Override in place for more than 20 years. School district budget overrides are approved for seven years and are eligible for renewal in the fifth year. Funds received from the M&O Override support the educational programs which are currently in place in the district. If the continuation of the budget override is approved, it would not impact the current tax rate. The current estimated secondary tax rate would continue at \$1.00 per \$100 of assessed valuation, or \$366 a year for an owner of a district home valued at \$365,580 - the average value of a home in the district.

The proposed \$15 million bond is being requested to address school facilities issues for which the district has not had adequate funds, due to state budget cuts resulting in the loss of more than \$4.4 million dollars from the district's operating budget over the past decade. If approved, the bond funds would be utilized with oversight by a bond committee, and would be directed to the following:

- \$5.5 M Upgrading School Security and Safety
- \$4.6 M Replace Aging Portables (with brick and mortar)
- \$2.0 M Technology and Technology Infrastructure
- \$1.9 M Repairs and Renovations
- \$1.0 M Bus Purchases

District Town Hall

The District hosted two town hall meetings to provide residents with factual information about the two ballot measures. The Town Hall meetings were held on Tuesday, August 28th at 4:00 p.m. at Tanque Verde Elementary School MPR, and Monday, September 17th at 7:00 p.m. at Emily Gray Jr. High School MPR.

In case you missed these meetings, the presentation, handouts and additional information are linked below, and are also available on the district website.

Thank you for your continued support of the Tanque Verde Unified School District.

Sincerely,

Scott Hagerman, Ed.D.
