

Important Arizona State Income Tax Filing Information

TVUSD Notice of CTDS Numbers Needed for Arizona State Income Tax Filing, for Arizona Public School Tax Credit Contributions

February 15, 2019

Dear TVUSD Tax Credit Donor,

Thank you for your support of students and programs in the Tanque Verde Unified School District through your 2018 Arizona Public School Tax Credit contribution.

It has come to our attention that changes to the Arizona Dept. of Revenue electronic information system are affecting some Arizona State Income Tax filers. The changes are specifically related to the designation of public school names and CTDS numbers. The CTDS is a nine (9) digit number that the Arizona Department of Education uses to identify Arizona public and charter schools.

The new system implemented by the State now requires the specific school name and number, rather than the district number. In addition, the school name must exactly match how it appears on the Arizona Dept. of Education School Listing.

For your convenience, we are supplying the specific designations for each of the schools in the Tanque Verde Unified School District.
