

LET'S CONNECT!

TVUSD Small Business Engagement Survey

We are interested in learning more about how we can connect, support and engage with local small business owners. Our goal is to improve the education experience for our students by strengthening our connections to our Tanque Verde Unified School District community!

Please take a moment to respond to this brief survey. Your answers will help us develop and define a small business engagement program for our school district community.

Thank you in advance for your support!
