A message from Dr. Hagerman: School Safety and Emergency Preparedness

Dear Tanque Verde Unified School District Community,

Our thoughts are with the Parkland, Florida, community as they deal with the tragedy which occurred this week at Marjory Stoneman Douglas High School.

We want to assure you that the safety of our students and staff members is of highest priority for our Tanque Verde schools. Although no amount of planning can guarantee that a tragedy such as this will not occur, we are continually working to keep students and staff safe while at school. We work closely with the Pima County Sheriff's Department, the PCSD School Resource Officers Unit, and Rural Metro Fire Department to prepare for emergencies.

The attached letter outlines measures which have been taken in our continuing effort toward school safety and emergency preparedness:

Thank you to our staff, parents and community, as we work together to keep students safe, and to support their academic, social and emotional well-being.

If you have questions or concerns, please email us at communications@tanq.org.

Sincerely,

Scott Hagerman, Ed.D.
Superintendent
