Dear TVUSD Families,

We are excited to announce the opening of the Tanque Verde Unified School District's preschool, ***Tanque Verde Community Preschool***, on the Tanque Verde Elementary School campus, beginning in August 2019.

We are pleased to be able to provide Special Education preschool services in an up-to-date preschool facility, for district residents who have a preschool aged child receiving services designated in his/her Individualized Education Plan (IEP). The district will also offer a developmentally appropriate, fee-based, district preschool program, affording an opportunity for an enriching preschool experience as part of our district programs.

Limited space will be available in the ***Tanque Verde Community Preschool*** program for additional preschool students depending on capacity. A preschool interest survey is available at the following link: <https://www.surveymonkey.com/r/T2ZLHV3>

More detailed information and the Preschool Interest Survey are also available at the following locations:

- District website: www.tanqueverdeschools.org/Preschool.aspx
