

Tanque Verde Unified School District

Governing Board/District Goals

School Year 2016/2017

1. Ensure the fiscal sustainability of the District.

- 1.1 Review salary issues and competitive benefits for the recruitment and retention of all employees.
- 1.2 Pursue new significant revenue sources, including grants and gifts.
- 1.3 Improve operational efficiency district-wide.

2. Maintain and enhance a rigorous and relevant curriculum.

- 2.1 Evaluate and administer an appropriately aligned assessment tool which will allow the analysis and delivery of assessment data to inform instruction and support student academic achievement.
- 2.2 Evaluate and develop district-wide curriculum options that prepare students for 21st Century learning and employment aligned with the current Arizona Standards.
- 2.3 Support continuous academic growth with an integrated curriculum and project-based learning, which emphasizes writing skills and a STEAM oriented science program.

3. Promote professional development and instructional improvement.

- 3.1 Continue to evaluate and refine the state-mandated, performance-based evaluation system, considering the effective evaluation of and the requirements for evaluating all teachers in the district.
- 3.2 Encourage employee wellness and personal health awareness.
- 3.3 Investigate the development of a district pre-school program.

4. Involve and engage community in District pursuits.

- 4.1 Encourage and support partnerships and collaborations with business and community groups.
- 4.2 Involve the community in defining the priorities and qualifications for the successful recruitment of the permanent TVUSD superintendent.

5. Sustain modern, safe and efficient facilities for students, staff and community.

- 5.1 Continue to investigate and implement strategic safety and security improvements at each school site.
- 5.2 Continue to provide ongoing emergency preparedness training and practice at all district facilities to ensure the safety and security of students and staff.
- 5.3 Assess the implementation of the district technology program, and ensure adequate infrastructure is in place and well-functioning to support the needs of students and staff.
