Instructions for School Year Schedule

If you have more than one child, and they have the same schedule, both can be put on one form.

1) Please indicate the Grade(s) your child will be in the fall.

If you will primarily attend a different afterschool site that is not attended for school, please indicate BOTH the school they attend AND the site where they will primarily attend afterschool.

(ACES students in grades K-3 can attend our program there, grades 4 & up go to TVES unless they have a younger (K-3) sibling at ACES.)

MONTHLY families (pay the same rate each month August - May)

Please check the appropriate box on the schedule sheet – either Monthly Afterschool OR Monthly Before and After school, OR Before School Monthly.

You must X those days NOT attending, especially Early Release days and Full Days off. There is an additional charge if you do not notify us by the deadline dates outlined below for any corrections or schedule changes.

DAILY rate families

Please check ✓ on each day attending including early days and full days off.

If attending morning program, please check ✓ on each day attending.

Deadlines for Changes

1) School days – changes must be made by Wednesday of the week before.

Daily families – (not monthly) – Please know if changes are made more than once per month you will be charged a fee. Your schedule is input up front and charges are posted weekly which allows you the flexibility to make occasional changes. We usually post charges on Thursday mornings for the next week so that allows you to make changes up until Wednesday.
