

Welcome to 5th Grade at TVES!

Meet the 5th Grade Team:

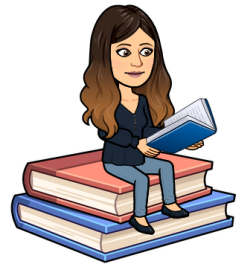

Mrs. Hixon - Mrs. Hixon spent 16 years teaching grades second through fifth, and two years as an arts integration specialist, in the Tucson Unified School District. She spent the last four years as a school improvement coach and is happy to be back in the classroom, building relationships with students and families. She has four grown children and two grandsons with whom she shares her love of baking and books!

ahixon@tanq.org

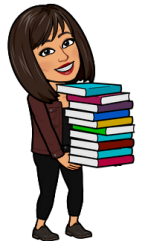

Mrs. Moeykens - Mrs. Moeykens has been part of the Tanque Verde community in many ways. She is a parent, has worked in the preschool, completed her student teaching, and was the remote 3rd grade teacher. Before her time with Tanque Verde, she spent two years as a Special Education Paraprofessional in the Tucson Unified School District. She has two toddlers, Isaiah and Coraline, and two step-daughters, Audrina and Teagan. She loves to spend her free time baking, crocheting, and spending time with her family. She is so excited to join 5th grade!

smoeykens@tanq.org

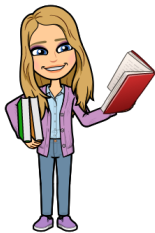

Ms. Foster - Ms. Foster began her teaching career at TVES in 1998 after graduating from the U of A. She started teaching in fourth grade, and has now been teaching fifth grade for eight years. She has two children, Reid and Larkyn, who attended TVES and are both in high school at UHS. Yikes! Ms. Foster is also very involved with CYT (Christian Youth Theater), and loves teaching, reading, dark chocolate, and musical theater.

lfoster@tanq.org

Ms. Klipp - This will be Ms. Klipp's sixth year teaching at Tanque Verde Elementary, the school where she went herself. She has a degree in Geology and Archaeology from the UA, and spent two winters performing with Cirque Dreams before deciding to become a teacher. Ms. Klipp just had a baby last year-his name is Alexander Lee. She coaches the Tucson Twist-Its jump rope team after school, and spends her spare time knitting or reading.

We look forward to getting to know our students and families! Stay safe and healthy.
