

Jen Basler

I am delighted to begin my sixth year teaching 6th grade at TVES. Having taught for many years - from third grade up to eighth - I have discovered that **sixth graders are the best!** My biggest teaching passions are Social Studies and working with my incredible team! My passions at home are spending time with my family, cooking, listening to all kinds of music, and watching Miyazaki movies. (Totoro forever!) My daughter and son have attended TVES, EGJH, and are now Hawks (and Band geeks) at Tanque Verde High School. I can't wait to start our new year together!

Joanna Vega

I, Joanna Vega, have been blessed to work at TVES for the past 12 years. I love teaching! It is my joy and passion, and I have **SO MUCH** fun doing this job! Besides teaching, I love spending time with my husband Anthony, our three girls, and Coco, our yellow lab (she destroys all of our furniture). Other fun facts are that I have a huge appetite, and I love eating tacos and steak, Mrs. Basler's spaghetti, Mrs. Daley's salads, and Mrs. Adkins favorite dish (not all at once). I am so looking forward to seeing your faces very soon, and I truly believe we will have a wonderful year together. Hasta la Vista...BABY!

Cindy Adkins

I am happy to say this is my second year at Tanque Verde. This starts my 22nd year of teaching. I have a husband, Mike, and since marrying him I get to be a step-mom and a nana to 3 grandkids. I love riding my bike, traveling, and being outdoors. I was in the Air Force many years ago and have lived in Tucson since my enlistment ended. I can't wait to get this year started and am looking forward to meeting everyone.
